Dear Mr. Woods:

The Registry appreciates your question on campaign finance law. The facts of your question are that you wish to make contributions to permanent committees ("political action committees or PACs") which are regulated by the Kentucky Registry of Election Finance under KRS Chapter 121, and you wish to make contributions to PACs that are not regulated under KRS Chapter 121.

Your question may be stated as follows:

Does the limit on contributions to political action committees found in KRS 121.150(10) apply to contributions to political action committees that are not regulated by KRS Chapter 121?

The answer to this question is, of course, no. The limits outlined in KRS 121.150(10) apply to political action committees registered with the Registry of Election Finance and operating in the Commonwealth of Kentucky.

This opinion is based upon the course of action outlined in your letter. If you should have any more questions, please give us a call. Thank you.

Sincerely,

Timothy E. Shull  
General Counsel
